PRODUCT

Tisano's patent pending Organic Cacao Tea™ brand introduces lost indigenous traditions to hip and health conscience tea connoisseurs. Cacao Tea™ is the first 100% pure cocoa based chocolate herbal tea, giving you all the goodness and rich decadent aroma of chocolate in a dairy free infused tea.

This healthy addiction is rich in antioxidants and has zero fat or calories. Cacao Tea™ contains Theobromine, a natural mood booster and with less caffeine than green tea or decaf coffee it is an ideal healthy alternative.

STORY

Tisano™ is a family business grounded on the three principles of tea: *qualiTEA*, *sustainabiliTEA* and *integriTEA*. My brothers and I believe in giving back, that's why we pay beyond fair trade prices and source directly from the farming communities that grow the finest organic cacao.
